EXPERIENCE

Nira Tech And Solutions, *Web Developer*
Feb 2024 – present | Remote
- Developed and maintained high-performance, user-friendly web applications, resulting in a ~20% increase in client engagement.
- Built responsive, pixel-perfect UIs using React.js and Tailwind CSS, ensuring 100% cross-device consistency.
- Collaborated with clients, developers and designers to develop user-focused solutions while meeting strict deadlines.
- Integrated REST APIs and optimized data retrieval, reducing API response time by 30%.

HighRadius, *Trainee - Highako*
May 2023 – Nov 2023 | Bhubaneswar, India
- Refactored and optimized key features, improving processing efficiency by ~30% through debugging and scalable development.
- Developed automation tools, including email parsing from EML files and currency formatting, reducing manual effort by ~70%.
- Collaborated in an Agile development team, proactively resolving 60% of reported issues ahead of schedule, improving project efficiency.

PROJECTS

Intervue, *Next.js, Firebase, Tailwind CSS, Vapi, Gemini*
Mar 2025
- Built an AI-driven interview preparation platform with custom interviews, real-time AI feedback, and automated question generation.
- Enhanced user experience with a responsive UI using Tailwind CSS and implemented secure authentication with Firebase.
- Optimized API performance by leveraging Promises for concurrent data fetching, reducing query response time by 30%.

Snipster, *Next.js, Clear, Tailwind CSS, MongoDB* 🔗
Dec 2024
- Developed a code snippet management tool that allows developers to efficiently store, organize, retrieve, and share reusable code snippets.
- Designed an intuitive user interface using Tailwind CSS for seamless navigation and accessibility.
- Optimized database queries for faster snippet retrieval, reducing load time by 40%.

PROFESSIONAL SUMMARY

Passionate software developer with expertise in building scalable, user-friendly web applications. Skilled in developing responsive, high-performance UIs using React.js, Next.js, and Tailwind CSS, ensuring seamless user experiences. Strong background in frontend development, API integration, and performance optimization. Adept at collaborating with teams to deliver high-quality solutions while maintaining best practices in software development. Enthusiastic about contributing to innovative projects that enhance user interaction and efficiency.

KEY HIGHLIGHTS

Enhanced Performance Metrics
Increased application speed by 30% through better code optimization, caching, and database improvements.

Error-Free Code Delivery
Wrote 1000+ lines of production-ready code with zero major bugs, using code reviews and automated testing.

Client Satisfaction Growth
Boosted client satisfaction by 15% by making the app faster, easier to use, and more intuitive.

Project Management Success
Successfully handled 10+ client projects from start to finish, making sure they were delivered on time and met requirements.

SKILLS

React.js | Next.js | TypeScript | JavaScript | Python | SQL | MongoDB | Git

EDUCATION

Bachelor of Technology in Information Technology,
Kalinga Institute of Industrial Technology
2020 – 2024 | Bhubaneswar, India
